MEDICAL INFORMATION

Medications: All medications must be turned in at registration and will be secured in the clinic or with the counselor(s) throughout the week. All campers must be able to self-administer prescription/OTC medications without requiring the help of an adult (note: there *will* be adult supervision).

Lice-check: We maintain a well-equipped health facility for all basic medical situations. A certified Health Center Staffer is on call 24 hours a day. We will check for head lice before campers are allowed to go to their cabins. We follow the same guidelines as school policy for lice. If your child is found with nits, they will be sent home and may return 24 full hours after treatment.

Medical Care/Insurance: To provide medical care for your child, we need your SIGNED authorization and ALL INSURANCE NUMBERS which should be completed ONLINE or on the registration form prior to your arrival. The State of West Virginia requires we have signed authorization to treat each child at Camp. If at any time your child requires medical attention offsite or is restricted from normal program participation for more than a few hours, you will be contacted immediately. Your family accident/health medical insurance will be billed, and you will be advised of and billed for any other medical expenses such as special medication and/or supplies prescribed by the physician.

Refunds: Your \$50 registration fee is non-refundable. Other fees may be refunded for cancellations/changes to registration that are confirmed *more than* 48-hours prior to camp. Any cancellations/changes within 48 hours of the start of camp are not guaranteed to be refunded. Please call 304-877-6427 ext. 602 with any questions.
